ALEX DANSON Masterclass

What is it?

The Alex Danson Hockey Academy Masterclass is a fantastic opportunity for aspiring players to learn from one of the sport's top talents.

Olympic gold medallist, Alex Danson, will lead the days with her team of top-class coaches. She will support participants to improve their hockey skills, understand what it takes to be part of Team GB and, most importantly, have lots of fun.

Alex will draw on her own experiences and the challenges she has faced to deliver a truly unique coaching opportunity. She will also offer her advice to young athletes and their families during a questions and answer session.

Who is the Masterclass aimed at?

All hockey players aged 11-16 are welcome to attend the masterclass to develop their skills and learn from the Team GB & England captain.

What's included?

On top of the coaching, all players will receive an Alex Danson goody bag, along with the opportunity to trial and test the latest sticks & kit from Alex's sponsor STX.

Where are they happening?

Each session offers a full day of expert coaching from 9.30am - 4pm.
